Procedures prior to lodging Plans with the Marlborough District Council

The following information is a guide as to what to do during your home build planning at Marlborough Ridge. It is always encouraged in the planning process to discuss your concepts with us prior to having full plans drawn up. This may save time, money and potential delays.

The Architectural Committee will require –

1. Site Plan
2. Plan Elevations
3. Floor Plan showing total sqm
4. Colour pallets for – the Roof, aluminium joinery and all exterior cladding
5. Landscape Plans may follow the build process
6. Builders Bond Registration Form and the \$1,000 Builders Bond to be paid before the Architectural Committee stamp of approval is given.
